

## **Arthaniti Katha: Economics through different lenses**

Editors: Nilanjan Patra, Uttam Bhattacharya

This book offers a wide spectrum of critical thoughts on different aspects of socio-economic issues. The topics covered here are Development Studies, Environment Economics, Banking, Trade, Education, Health, Experimental Economics, Ethics, Indian Economy, Labour, Agriculture, Industry, Gandhian Economics, and two articles on economies of Afghanistan and Bangladesh. Thirty articles presented in this book would be useful for alternative thinking and enrich debates and discussions for effective public policy.
