Sub: Proposal for conducting The National Employability Test 2024.

Respected Sir/Madam,

At first, I would like to congratulate you for your contribution in the field of education. Your continuous endeavours to enrich the students to become successful in their academic career and thus lead to bright future.

Recently the Government both Central and State have announced vacancies at different departments through various exams. These exams have created great opportunities for the youth of India and West Bengal.

George School of Competitive Examinations (GSCE) a division of George Telegraph Group fulfill the dreams of thousands of youth to secure Government jobs and also scope and opportunities through career counseling session for the students of West Bengal.

Therefore, we propose to organize and conduct the **National Employability Test 2024 to find out the employability status of the students** of your esteemed institution and get government jobs.

We are looking forward for the **Date and Time** as convenient to the college authority.

Thanking You,

Yours faithfully
